Pier 47 N. River, N.Y.

Dear Doctor,

I recd letter of introduction of Baird. also Eggers Flora St Croix & Virgin islands which will be of service to me in connection with Britton & Br. W. I. Flora.
I will, arr at St Johns and sail around Porto Rico — get a coast view of the country and stop at St Thomas for instructions.
The Mts seem nearest the Southern coast and probably Ponce will be a good place to approach them — but Eggers will know.
(2.30 P.M leave 3 P.M.) Very truly
A.P. Garber

At St. Thomas I will send you my address on Porto Rico.
